Winemaker Notes:

Descriptors: Aromas of black berries and ripe plum with robust spice flavors.

Food Pairings: Portabella mushroom, BBQ, pasta with red sauce and pizza.

Schooner Red is a tribute to the Hazlitt's love of quality red wine and the spirit of exploration and forward thinking. The sailing ship pictured on the bottle, the schooner When & If, was originally built for General George S. Patton in 1939. Over the last few years Hazlitt winery co-owner Doug Hazlitt has lovingly restored the 75 year-old boat to her original glory. When & If is now ready to set sail and pursue her legacy of plying the world's seas in search of inspiration and innovative ideas. The vessel's continuing quest for adventure has inspired Hazlitt 1852 Vineyards to create this remarkable international red wine blend, bringing together the delicious fruit from two emerging new world wine regions in two different hemispheres.
