This wine is a tribute to our love of fine wine, the spirit of exploration, and old ships. The schooner depicted on the bottle, the When and If, was originally built for General George S. Patton in 1939 and has been lovingly restored by Doug Hazlitt to its original glory. We have searched out some of the best wines from the farthest points of the compass to create a blend that honors those who, like Doug, also quest to find adventure at every tack. Find your own piece of open water, look to the farthest horizon, and enjoy a glass of Schooner White.
